

Genealogy Research at Huntsville Public Library

In addition to the following resources, the library offers a number of **genealogy workshops** each year. Check the calendar for details.

Online

Be sure to visit the library's Genealogy page (www.myhuntsvillelibrary.com and click "Genealogy") for a complete list of recommended websites.

Ancestry.com – The most comprehensive resource we offer (and easy to use), Ancestry is one of the top places to go for family history research. Census records, Social Security Death Index, immigration records, photographs, maps, military records, and more. To access, go to www.myhuntsvillelibrary.com, click "Online Databases" at the left, and select Ancestry Library Edition. Can only be used in the library.

TexShare Databases

To access the following resources, go to www.myhuntsvillelibrary.com, click "Online Databases" at the left, and select "TexShare Databases." Call the library for a login and password if you are using the databases from home.

- **HeritageQuest Online** – Your first stop for family history research. Federal census records, 20,000 full-text family and local history books, Freedman's bank records, and more.
- **Handbook of Texas Online** – A comprehensive online encyclopedia with articles on people, places, and events. Almost no town is too small to be included.
- **InfoTrac Custom Newspapers** – Local and international newspapers from 1980 to the present.

Walker County Genealogical Society (www.wcgen.com) – The official genealogy society of Huntsville and Walker County.

Walker County Treasures (www.walkercountytreasures.com) – Nine collections of photographs and documents related to Walker County.
